

PROCOM microwave components

Prices incl. VAT

10GHz

PROCOM 10GHz Parabolic Reflector Antenna, complete D = 48 cm, F/D = 0.4 completely assembled parabolic reflector antenna (white finish and marked) with flange, waveguide and feed.	1006301	195,00 €
PROCOM 10GHz Parabolic Reflector Antenna D = 48 cm, F/D = 0.4 completely assembled parabolic reflector antenna, white finish, but without marking and without hole for waveguide.	1006302	104,65 €
PROCOM 10GHz Piece of Waveguide, WR90 L = 227 mm (suitable for the above mentioned parabolic reflector antenna)	1006304	11,90 €
10GHz Waveguide, WR90 The waveguide will be cut for the required length	Prices per m	1006305 45,00 €
PROCOM 10GHz Flange for WR90	1006306	4,30 €
PROCOM 10GHz Transition coaxial / Waveguide (N-female connector)	1006307	68,00 €
PROCOM 10GHz Transition coaxial / Waveguide (SMA-female connector)	1006308	79,00 €

24GHz

PROCOM 24GHz Parabolic Reflector Antenna, complete D = 48 cm, F/D = 0.4 completely assembled parabolic reflector antenna (white finish and marked) with flange, waveguide and feed.	1006311	210,00 €
PROCOM 24GHz Parabolic antenna D = 48 cm, F/D = 0.4 completely assembled parabolic reflector antenna, white finish, but without marking and hole for waveguide.	1006312	104,65 €
PROCOM 24GHz Piece of Waveguide, WR42 L = 240 mm (suitable for the above mentioned parabolic reflector antenna)	1006314	14,90 €
24GHz Waveguide, WR42 , price per m The waveguide will be cut for the required length	1006315	56,00 €
PROCOM 24GHz Flange for WR942	1006316	5,30 €
PROCOM 24GHz Transition Coaxial / Waveguide (SMA-female connector)	1006317	75,00 €
PROCOM 24GHz Flange with quick release WR42 for quick connection and disconnection of the parabolic antenna with the transverter.. Included are 4 treaded screws.	1006319	25,90 €

47GHz

PROCOM 47GHz Parabolic Reflector Antenna, complete D = 25 cm, F/D = 0.4 completely assembled parabolic reflector antenna (white finish and marked) with flange, waveguide and subreflector.	1006321	200,00 €
PROCOM 47GHz Parabolic Reflector Antenna D = 25 cm, F/D = 0.4 completely assembled parabolic reflector antenna, white finish, but without marking and hole for waveguide	1006322	95,40 €
PROCOM 47GHz Waveguide, WR19 L = 91,6 mm (suitable for the above mentioned. parabolic antenna)	1006324	27,00 €
47GHz Waveguide, WR19, Price per meter The waveguide will be cut for the required length	1006325	146,70 €
PROCOM 47GHz Flange for WG19	1006326	9,25 €
